

ADULT FOSTER CARE (REST RESIDENTIAL CARE)

1.0 SERVICE DEFINITION

- 1.1 Adult Foster Care (AFC) provides placement in foster care (Rest Residential Care Homes) for those adult consumers who are normally able to manage activities of daily living (ADLs). The individuals require minimal supervision with instrumental activities of daily living (IADLs) and/or prompting with ADLs.
- 1.2 These individuals are not fully capable of living independently, but are able to remain in the community with the support provided in a rest residential care setting.
- 1.3 There are two types of rest residential care homes:
 - 1.3.1 Unlicensed home: Homes that have only one (1) resident.
 - 1.3.2 Licensed homes: Homes that have two (2) or more residents.
 - 1.3.3 These homes must comply with state and local laws and regulations applicable under the Division of Long Term care Residents Protection, Title XXXI.

2.0 SERVICE GOAL

- 2.1 Rest Residential Care homes (Adult Foster Care) are to provide room and board, as well as the necessary supervision to allow the consumer to maintain the greatest level of independence as possible within a residential setting.

5.0 SERVICE STANDARDS

(Refer to Title XXXI Rest (Residential) Home Regulations, if licensed)

- 5.1 The service provider will:
 - 5.1.1 Recruit and maintain an inventory of licensed and unlicensed foster care homes that offer placement in a variety of socio-economic levels and cultural backgrounds.
 - 5.1.2 Maintain homes with sponsors that:
 - 5.1.2.1 Foster support by reminding consumer to maintain their medication schedule as directed by the resident's physician. The sponsor cannot administer or assist with administration of medication.
 - 5.1.2.2 Assist the consumer in maintaining medical appointments, provide meals, and maintain a clean and sanitary home.
 - 5.1.2.3 Are in adequate condition and have working electrical, plumbing and heating facilities to maintain the health, welfare, and safety of the consumer.
 - 5.1.2.4 Maintain the consumer in the same home that the sponsor resides.
 - 5.1.3 Evaluate the prescreened consumer to determine suitable placement
 - 5.1.4 Place an accepted, eligible individual in an AFC home within thirty (30) calendar days of the referral, unless the DSAAPD Case Manager grants and exemption for an extended timeline.
 - 5.1.4.1 The DSAAPD Case Manager will be notified within thirty (30) calendar days of the referral with a decision accepting or declining the consumer for AFC service.
 - 5.1.4.2 If the provider declines the consumer, the provider must notify the DSAAPD Case Manager in writing, outlining the reason(s) for denial.
 - 5.1.5 Develop a "Board and Care" plan for the consumer. It must include a contingency plan outlining alternative measures for continued care if the sponsor becomes unable to provide supervisory care in the home. A copy will be forwarded to the DSAAPD Case Manager within ten (10) working days.
 - 5.1.6 Present continuous support and case management to the consumer and sponsor.
 - 5.1.7 Conduct in-home quarterly monitoring visits, a minimum of four (4) visits per fiscal year. The provider will conduct one (1) of the four (4) required visits as an **unannounced** visit.
 - 5.1.7.1 The provider will notify and coordinate with the DSAAPD Case Manager to address any changes regarding the consumer's behavioral/mental status that might impact or jeopardize the consumer's AFC placement or eligibility.
 - 5.1.8 Provide sponsors with on-going training throughout the year that supports medical and social awareness and sensitivity to their adult foster care consumers.

- 5.1.9 Notify the DSAAPD Registered Nurse within two (2) working days of any health changes or changes in behavior that might impact the consumer's placement in AFC.
 - 5.1.9.1 This includes all hospitalizations and nursing home placements.
- 5.1.10 The DSAAPD Registered Nurse must redetermine the consumer's level of care and appropriateness to return to their adult foster care setting.
- 5.1.11 The sponsor will respect the rights and privacy of the consumer and allow the provider and the DSAAPD Case Manager or Registered Nurse to have private conversations with the consumer.
- 5.2 If the consumer is transferred to another AFC home, the provider will:
 - 5.2.1 Contact the DSAAPD Case Manager prior to the transfer.
 - 5.2.2 Notify the DSAAPD Case Manager of any changes in income or resources that might impact the consumer's placement in AFC.
 - 5.2.3 Develop a transition plan to prepare the consumer, his/her support network, and sponsor for placement.
- 5.3 If the consumer becomes unsuitable for AFC placement, the provider will:
 - 5.3.1 Notify and coordinate with the DSAAPD Case Manager, and/or the DSAAPD Registered Nurse
 - 5.3.2 Explain how the consumer meets discharge criteria
 - 5.3.3 If the reason(s) for termination are unrelated to the consumer's medical condition, the provider must present a written explanation, as well as the steps taken to resolve the issues, prior to termination.
 - 5.3.4 The provider must give the DSAAPD Case Manager a thirty (30) day (minimum) notice of termination.
 - 5.3.5 If the reason for AFC termination is substantiated, the provider and the DSAAPD Case Manager will develop, and implement, a termination plan, or alternative placement plan.

6.0 INVOICING REQUIREMENTS

- 6.3 Providers will invoice DSAAPD pursuant to the DSAAPD Policy Manual for Contracts, Policy X-Q.
- 6.4 The following information will also be included on the invoices:
 - 6.4.1 Itemized list of reimbursable expenses
 - 6.4.2 Total DSAAPD funds expended
- 6.5 Reimbursement to provider is for maintaining all service standards of the program. The consumer is responsible for the monthly payment of care to the Rest Residential sponsor. DSAAPD is not responsible for any reimbursement to the Rest Residential sponsors.
